Subject: Overarching Community Communications Strategy for Sydney Metro Western Sydney Airport
(B1 of SSI-10051)

Dear Mr Chapman

I refer to your submission dated 25 July of the Overarching Community Communications Strategy (revision 2.2, 07 April 2021).

I note the Overarching Community Communications Strategy:

- Has been reviewed by Sydney Metro and no issues have been raised with the Department;
- Details strategies to consult with key stakeholders including local community and businesses and government organisations;
- Contains a Complaints Management System (CMS)
- Contains the information required by the conditions of approval.

You are reminded that if there is any inconsistency between the document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure that the plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Minna Kilpelainen at minna.kilpelainen@dpie.nsw.gov.au.

Yours sincerely
