Dear Mr Chapman

Condition E103: Construction Traffic Management Plan**

I refer to the Construction Traffic Management Plan (CTMP), revision 4, dated 13 October 2021 which was submitted for information in accordance with condition E103 of SSI-10051.

I note that the CTMP (Rev 4):

- has been reviewed and approved by Transport for NSW,
- has been developed in consultation with Council; and,
- has been prepared in accordance with the conditions of approval.

You are reminded that if there is any inconsistency between CTMP, revision 4, dated 13 October 2021 and the conditions of approval, then the requirements of the conditions of approval will prevail.

Please ensure that the approved plan is placed on the project website at the earliest convenience.
