Subject: Western Sydney Airport Overarching Construction Traffic Management Plan – Surface and Civil Alignment Works

Dear Mr. Chapman,

I refer to your submission dated 16 September 2022, of the Overarching Construction Traffic Management Plan (OCTMP) – Surface and Civil Alignment Works (SCAW) issued to the Secretary for information in accordance with CSSI 10051 Condition of Approval E103.

I note the OTMP:

- has been prepared in consultation with Customer Journey Planning, Transport for NSW and Penrith City Council;
- has been reviewed by Sydney Metro and no issues have been raised with the Department; and
- contains the information required by the conditions of approval.

You are reminded that if there are any inconsistencies between the OCTMP SCAW (revision C dated 30 August 2022) and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Ellena Tsanidis at [ellena.tsanidis@planning.nsw.gov.au](mailto:ellena.tsanidis@planning.nsw.gov.au).

Yours sincerely

Grant Brown  
A/Team Leader - Rail
