Subject: Sydney Metro – Western Sydney Airport – Surface and Civil Alignment Works – Soil and Water Management Sub-Plan and Surface Water Quality Monitoring Program

Dear Mr. Smith,

I refer to your submission dated 20 September 2022, requesting approval of the Soil and Water Management Sub-Plan – Surface and Civil Alignment Works (SWMP - SCAW) (rev F, 21 October 2022). This Sub-Plan includes the Surface Water Quality Monitoring Program (SWQMP) and is provided to the Secretary in accordance with C17 and C19 of CSSI 10051. I also acknowledge your response to the Department's review comments and request for additional information.

I note the SWMP – SCAW and SWQMP:

- have been prepared in consultation with government agencies and councils where required;
- have been reviewed by Sydney Metro and no issues have been raised with the Department;
- have been endorsed by the Environmental Representative; and
- contain the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the SWMP – SCAW (rev F, 21 October 2022) and SWQMP (rev F).

You are reminded that if there are any inconsistencies between the approved documents and the conditions of approval, the conditions prevail.

Please ensure you make the documents publicly available on the project website at the earliest convenience. If you wish to discuss the matter further, please contact Ellena Tsanidis at ellena.tsanidis@planning.nsw.gov.au.

Yours sincerely

Grant Brown
