Dear Mr Chapman

**Sydney Metro - Western Sydney Airport (SSI-10051)
Sustainability Plan**

I refer to the Sustainability Plan which was submitted to the Planning Secretary for information in accordance with Condition E101 of SSI-10051. I also acknowledge your response to the Department's requests for information.

I note that the Sustainability Plan:

- was prepared to achieve an Infrastructure Sustainability Council of Australia (ISCA) Infrastructure Sustainability rating of +75; and
- has been submitted to the Planning Secretary within six months of the date of approval.

You are reminded that the Sustainability Plan must be implemented throughout construction and operation of SSI-10051.

You are also reminded that if there is any inconsistency between the Sustainability Plan and the conditions of approval, then the requirements of the conditions will prevail.

If you wish to discuss the matter further, please contact Grant Brown at grant.brown@dpie.nsw.gov.au.

Yours sincerely
