Dear Mr Chapman

**Sydney Metro - Western Sydney Airport (SSI-10051)
Power Enabling Works CEMP**

I refer to the Power Enabling Works Construction Environmental Management Plan (CEMP) Revision 0.0 dated 1 February 2022 which was submitted to the Planning Secretary for information in accordance with Condition C3 of SSI-10051.

I note that:

- the Power Enabling Works CEMP was nominated for Environmental Representative (ER) endorsement under the Sydney Metro Western Sydney Airport Staging Report;
- the CEMP also contains a Construction Noise and Vibration Management Plan; and
- the ER endorsement of the CEMP has been provided to the Department.

You are reminded that if there are any inconsistencies between the Power Enabling Works CEMP and the conditions of approval, then the requirements of the conditions will prevail.

If you wish to discuss the matter further, please contact Grant Brown at grant.brown@dpie.nsw.gov.au.

Yours sincerely
