Dear Jake,

**Sydney Metro - Western Sydney Airport
Notification of Commencement of Staged Construction under Condition A35**

I refer to the Ministers Conditions of Approval (**CoA**) issued for the Critical State Significant Infrastructure (**CSI**) Sydney Metro Western Sydney Airport (SWMSA) planning approval SSI 10051 dated 23rd July 2021, specifically the CoA A35, and the approval of the Staging Report v5.0 Final dated 7th February 2022.

This is to notify the Secretary of the Department of Planning, Industry and Environment of Sydney Metro's intention to commence Construction of the works detailed in the *Station Boxes and Tunneling Preparatory Works* stage of the Sydney Metro - Western Sydney Airport Project on or after 19th April 2022.

This date is subject to our achievement of compliance with conditions precedent including the endorsement of the PCEMP by the independent Environmental Representative.

Should you have any questions please do not hesitate to contact Jeremy Slattery, Senior Manager, Environment, Sydney Metro, Transport for NSW on 0421 827 231.

Yours sincerely
