Dear Mr Chapman

**Sydney Metro - Western Sydney Airport (SSI-10051)
Out of Hours Work Protocol**

I refer to the Out of Hours Work Protocol which was submitted to the Planning Secretary for approval as required by Condition E42 of the approval for the Sydney Metro Western Sydney Airport project (SSI-10051). I also acknowledge your response to the Department's request for information.

I note that the Out of Hours Work Protocol:

- has been reviewed and approved by Sydney Metro and no outstanding issues were raised with the Department,
- has been endorsed by the project's Environmental Representative,
- identifies a process for the consideration, management and approval of work that is outside the hours defined in Conditions E38 and E39, and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Out of Hours Work Protocol (Revision 2, dated November 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.

You are reminded that if there is any inconsistency between the Out of Hours Work Protocol and the conditions of approval, then the requirements of the conditions will prevail.

If you wish to discuss the matter further, please contact Grant Brown at grant.brown@dpie.nsw.gov.au.

Yours sincerely
