**Subject: Construction Traffic Management Plan for the St Marys Station Lift and Stair Works - Western Sydney Airport Metro (E103 of SSI-10051)**

Dear Ms Thomas,

I refer to your submission dated 2 June 2022, requesting approval of the Construction Traffic Management Plan for the St Marys Station Lift and Stair Works (Revision 1.0, dated 24 May 2022).

I note the Construction Traffic Management Plan has been:

- Reviewed by Sydney Metro and no issues have been raised with the Department;
- Endorsed by a Road Safety Auditor; and
- Contain the information required by the conditions of approval.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document and this approval letter publicly available on the project website.

If you wish to discuss the matter further, please contact Grant Rokobauer at [grant.rokobauer@dpie.nsw.gov.au](mailto:grant.rokobauer@dpie.nsw.gov.au).

Yours sincerely
