Subject: St Marys Station Lift and Stair Relocation Heavy Vehicle Local Roads Request (Condition E105 of SSI-10051)

Dear Mr Armstrong,

I refer to your submission requesting approval of the St Marys Station Lift and Stair Relocation Heavy Vehicle Local Roads Request (the HVLR) dated 15 July 2022.

I note the HVLR:

- has been prepared in consultation with Penrith City Council;
- has been reviewed by Sydney Metro and no issues have been raised with the Department;
- has been endorsed by an appropriately qualified professional; and
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the use of local roads as identified in the HVLR document titled *Heavy Vehicle Local Road Report for Use of Local Roads — Rev 1, dated 15 July 2022*, under condition E105 of this approval.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure that the HVLR and this approval letter are made publicly available on the project website, and the local roads are included in the relevant CTMP.

If you wish to discuss the matter further, please contact Grant Rokobauer at grant.rokobauer@dpie.nsw.gov.au.

Yours sincerely
