

Albury to Illabo

Application for State Significant Infrastructure approval

Australian Rail Track Corporation Ltd (the Proponent) is seeking approval to construct and operate the Albury to Illabo section of Inland Rail (the Project).

For the purposes of clause 181(6) of the *Environmental Planning and Assessment Regulation, 2021*, notice is hereby given that a State Significant Infrastructure application under Division 5.2, Part 5 of the *Environmental Planning and Assessment Act, 1979 (NSW)* has been lodged with the Secretary of the NSW Department of Planning and Environment (DPE).

Details of the Project application are available on DPE's website.

Application No: SSI-10055

Proponent:

Australian Rail Track Corporation
PO Box 10343,
Gouger Street,
Adelaide SA 5000

In accordance with the provisions of the *Environmental Planning and Assessment Act, 1979*, DPE will display the Environmental Impact Statement for the Project and invite public submissions.

DPE will advertise the exhibition commencement.
