Description of proposed infrastructure

Enhancement works to structures and sections of track along 185 kilometres of existing operational standard-gauge railway from the Victorian/New South Wales border to Illabo in regional NSW. The project forms part of the Inland Rail project. The proposal includes:

- adjustments to rail track across 14 enhancement sites to accommodate vertical and horizontal clearances
- changes to bridges and culverts at enhancement sites to allow track realignment including:
 - replacement of two road bridges and adjustment to adjoining intersections
 - replacement of three pedestrian bridges and demolition of two redundant pedestrian bridges
 - modifications to four rail bridges
- ancillary works including adjustments to nine level crossings, modifications to drainage and road infrastructure, signalling infrastructure, fencing, signage, and services and utilities.

About the exhibition

An exhibition process allows any individual or organisation to have their say about a proposed development.

The Department of Planning and Environment has received a State Significant Infrastructure (SSI) application for the abovementioned proposal. The application, Environmental Impact Statement (EIS) and accompanying documents are on exhibition from **Wed 17 August 2022** until **Wed 28 September 2022**. You can view these documents online at www.planningportal.nsw.gov.au/major-projects.

Have your say

The department encourages online submissions, particularly during times when mobility may be impacted by COVID-19 restrictions. To have your say online, search for this project at www.planningportal.nsw.gov.au/major-projects and click on 'Make a submission'. You will need to log in or create a user account.

If you cannot submit online, post or drop your submission to the address below, to arrive before the close of exhibition. If you want your personal information to be withheld before publication, please clarify this at the top of your cover letter and do not include personal details in your submission.

If you choose to send a paper-based submission, it is important that both the submission and mailing envelope are addressed to the nominated contact person below.

Please be aware that if you choose to send a paper-based submission and it is not addressed to the nominated contact person, the submission will not be received by the Department and will instead be returned to sender.
