Subject: Inland Rail Albury to Illabo (SSI - 10055) Conditions C6, C9, C29, E72 Construction Noise and Vibration Management Sub-plan and Out of Hours Work Protocol Stage A

Dear Mr. Clark

I refer to your submission dated 20 December 2024, requesting approval of the Construction Noise and Vibration Management Sub-plan (the Plan) Stage A, revision 2, dated 17 January 2025 as required by Condition C9, C29, and E72. I also acknowledge your response to the Department's review comments and request for additional information.

I note that the Plan:

- contains Appendix B Construction Noise and Vibration Monitoring Program, revision 2, dated 17 January 2025, as required by Condition C29;
- contains Appendix F Out of Hours Work Protocol, revision 2, dated 17 January 2025, as required by Condition E72;
- have been reviewed by proponent and no issues have been raised with the Department;
- have been endorsed by the Acoustics Advisor and Environmental Representative; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Construction Noise and Vibration Management Sub-plan and the Out of Hours Work Protocol Stage A, revision 2, dated 17 January 2025, as required by Conditions C6, C9, C29 and E72. Please note that a separate Planning Secretary's approval will be required for the Plan for Stage B of the project.

Please provide the first Construction Noise Vibration Impact Statement developed by the project to the Department prior to its related works commence.

You are reminded that if there are any inconsistencies between the approved Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Max Obiakor at Max.Obiakor@dpie.nsw.gov.au.

Yours sincerely
