Dear Alex,

**CSSI 10055 Albury to Illabo Project
Environmental Representative
Minister's Condition of Approval A18**

I refer to the Minister's Conditions of Approval (**MCoA**) issued for the Critical State Significant Infrastructure (**CSSI**) Project No. 10055 Albury to Illabo (**A2I**), on 8 October 2024, and specifically MCoA A18 which requires the Proponent to seek approval of an independent Environmental Representative (**ER**) from the Planning Secretary one month prior to the commencement of Work.

Inland Rail seeks the Planning Secretary's approval to engage Wolfpeak Consulting as the provider of the ER service. Supporting information comprising credentials of the Primary ER, Derek Low and the Alternate ER(s), Steve Fermio and Ricardo Prieto-Curiel and declarations of independence is contained in Wolfpeak Consulting letter dated 12 December 2023 within **Attachment 1**.

If you wish to discuss any of the above further, please contact Luke Ryalls, Senior Environmental Advisor – Compliance at LRyalls@ARTC.com.au on 0408 404 368 or myself at MClark@artc.com.au on 0414 757 817.

Yours sincerely

Malcolm Clark
Project Director – Albury to Illabo
