Dear Alex,

## **CSSI 10055 Albury to Illabo, Flood Design Report**

### **Minister's Condition of Approval E43 Table Top Yard**

I refer to the Minister's Conditions of Approval (**MCoA**) issued for the Critical State Significant Infrastructure (**CSSI**) Project No. 10055 Albury to Illabo (**A2I**), on 8 October 2024, and specifically MCoA E43 which requires the proponent to prepare a Flood Design Report to be submitted and approved by the Planning Secretary prior to the commencement of permanent works that would impact on flooding.

Inland Rail Pty Ltd (**IRPL**) has prepared a Flood Design Report for Table Top Yard that addresses the flooding requirements outlined in MCoA E38 to E46, including the requirement to provide a consultation report in accordance with MCoA E41 and A08. The Flood Design Report and Consultation Report are provided in Attachment 1 and Attachment 2 respectively. The Flood Design Report has been reviewed by a suitably qualified flood consultant, approved in accordance with MCoA A16 (refer Attachment 3 Independent Flood Consultant Certificate).

If you wish to discuss any of the above further, please contact Ian Irwin, Environment Manager at [iirwin@artc.com.au](mailto:iirwin@artc.com.au) on 0409 148 716 or myself at [mclark@artc.com.au](mailto:mclark@artc.com.au) on 0414 757 817.

Yours sincerely
