Subject: Hunter Power Project (Kurri Kurri Gas-Fired Power Project) – Operational Biodiversity Management Plan (Condition B33)

Dear Mr Thompson,

I refer to the Operational Biodiversity Management Plan submitted in accordance with Schedule 2, Condition B33 of the approval for the Hunter Power Project (SSI-12590060). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Operational Biodiversity Management Plan:

- has been provided to the Conservation Programs, Heritage & Regulation Group (DCCEEW) and there are no outstanding issues;
- has been endorsed by the Environmental Representative for the project in accordance with Condition A23(a) and (c); and
- adequately address the relevant conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Operational Biodiversity Management Plan (V6.1 dated 21 November 2025).

Please ensure you make the documents publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Sarah Kamarudin on (02) 8275 1861.

Yours sincerely,

Stephen O'Donoghue
Director
Resource Assessments

As nominee of the Planning Secretary
