Subject: Approval of Construction Environmental Management Plan – Stage 3a of the Moomba to Wilton Pipeline (SSI-15548591)

Dear Mr Connellan,

I refer to the document name submitted in accordance with Condition C1 of Schedule C of the approval for Stage 3a of the Moomba to Wilton Pipeline (SSI-15548591). I also acknowledge your response to the Department's review comments and request for additional information.

I note the document has been prepared in consultation with the Biodiversity, Conservation and Science Group and Heritage NSW; and contains the information required by the conditions of approval. The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in approval for Stage 3a of the Moomba to Wilton Pipeline (SSI-15548591).

Accordingly, the Secretary approves the revised Construction Environmental Management Plan (Revision 3, dated 27 June 2024). Please ensure that the approved plan is placed on the project website at your earliest convenience.

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact 02 9995 5387 on jack.turner@planning.nsw.gov.au.

Yours sincerely
