Public Notices

Notice of an application for approval from the Minister for Planning to carry out State Significant Infrastructure under Part 5 of the Environmental Planning and Assessment Act 1979 (NSW)

A State Significant Infrastructure application is proposed to be made to the Minister for Planning (Minister) by APA Transmission Pty Limited (ABN 84 603 054 404) under Part 5 of the *Environmental Planning and Assessment Act 1979 (NSW)* (EP & A Act) to seek approval for the Kurri Kurri Lateral Pipeline Project (Project) which involves the construction, operation and maintenance of a medium pressure transmission pipeline, compressor station, high pressure storage pipeline, delivery station, and other ancillary surface facilities. The Project will enable gas to be transferred from the existing Sydney to Newcastle Pipeline to the approved Hunter Power Project.

APA Transmission Pty Limited gives notice of the application for the Minister's approval to carry out the Project under Part 5 of the EP & A Act in accordance with clause 181(6)(b) of the Environmental Planning and Assessment Regulation 2021 (NSW).

Application details

Application No: SSI-22338205
 Proponent: APA Transmission Pty Limited, Level 25 580 George Street, Sydney, NSW 2000 Australia
 Site Description: The Project is located between Lenaghan and Loxford within the Newcastle City Council, Cessnock City Council and Maitland City Council Local Government Areas.

The construction workforce is estimated to peak at around 398 personnel. An operational workforce of five personnel is anticipated.

An Environmental Impact Statement is being prepared for the Project in accordance with the environmental assessment requirements issued by the Secretary of the Department of Planning and Environment.

The Environmental Impact Statement will be made publicly available by the Department of Planning and Environment.

Further details of the Project are available at the APA website - www.apa.com.au
