Subject: Request to stage management plans for Kurri Kurri Lateral Pipeline (SSI-22338205)

Dear Mr Williams

I refer to your letter dated 2 March 2023, requesting approval for the staging of management plans for the development under Condition A28 of Schedule 2 of the infrastructure approval.

I note that the letter:

- Outlines two stages for the construction of the development comprising:
  - Stage 1: laydown areas preparation / management and line pipe delivery; and
  - Stage 2: the remainder of the development;
- Describes the approach to staging relevant management plans, strategies and studies for Stage 1.

As a nominee of the Planning Secretary I approve the staging of management plans for the construction of the development as described in the letter.

I note that apart from the staging of management plans, strategies and studies permitted by this approval, all other relevant conditions of consent under the infrastructure approval apply to all stages of the project.

If you wish to discuss the matter further, please contact Jack Turner on 9995 5387.

Yours sincerely
