

Notice of an application for approval for approval from the Minister for Planning to carry out State Significant Infrastructure under Part 5 of the *Environmental Planning and Assessment Act 1979 (NSW)*

A State Significant Infrastructure application is proposed to be made to the Minister for Planning (Minister) by Illawarra Coal Holdings Pty Planning and Assessment Act 1979 (NSW) (EP&A Act) to seek approval for the Dendrobium Mine Extension Project (Project) which involves the extraction of additional coal reserves at the infrastructure and the use and augmentation of existing surface facilities at the Dendrobium Mine.

Illawarra Coal Holdings Pty Ltd gives notice of the application for the Minister's approval to carry out the Project under Part 5 of the EP&A Act in accordance with clause 181(6)(b) of the *Environmental Planning Assessment Regulation 2021 (NSW)*.

Application details

Infrastructure Application No: SSI-33143123

Proponent:

Illawarra Coal Holdings Pty Ltd
Old Port Road Port Kembla
Wollongong, NSW 2505 Australia

Site Description:

The Project is located approximately 8 kilometres west of Wollongong, within the Wollongong City Council, Wollondilly Shire Council and Wingecarribee Shire Council Local Government Areas, in southeastern New South Wales. The Project provides for the extraction of additional coal reserves at the Dendrobium Mine.

At full development the Project will employ approximately 700 personnel, including direct employees and onsite contractors.

An Environmental Impact Statement is being prepared for the Project in accordance with the environmental assessment requirements issued by the Secretary of the Department of Planning, Industry and Environment. The Environmental Impact Statement will be made publicly available by the Department of Planning, Industry and Environment.
