Dear Ms Fishburn,

Re: HumeLink – Heritage Management Plans - Redaction of Sensitive Material – SSI-36656827

Transgrid (as the Proponent) in a recent review of published and therefore publicly available documents on the HumeLink Major Projects webpage, identified that certain approved management plans contain potentially sensitive information.

It would be appreciated if the HumeLink East Heritage Management Plan (Rev 01.8, dated 10/06/2025) and the HumeLink West Heritage Management Plan (Rev 7, dated 29/07/2025) are promptly removed from the HumeLink Major Projects webpage to enable redaction of potentially sensitive information.

Transgrid will subsequently submit redacted copies of the approved Heritage Management Plans that can be made available for public access.

If you wish to discuss this request, please do not hesitate to contact the undersigned by email at Sam.Pathammavong@transgrid.com.au or by telephone on 0461 465 726.

Yours sincerely

Sam Pathammavong
Environment & Sustainability Manager
