I note the Humelink East Construction Noise and Vibration Management Plan:

- This document has been prepared to address Stage 3a Construction Works HumeLink East in accordance with the approved staging approach (PA-5, 22 November 2024).
- has been reviewed by Transgrid and no issues have been raised with the Department;
- has been endorsed by the ER, Derek Low; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the HumeLink East Construction Noise and Vibration Management Plan (Rev 1.4, dated 14 April 2025).

You are reminded that if there are any inconsistencies between the HumeLink East Construction Noise and Vibration Management Plan and the conditions of approval, the conditions prevail.
