Dear Mr Roberts

I refer to the HumeLink East Yass Aptos Accommodation Camp Management Plan (Rev 01, dated 22 September 2025) submitted in accordance with Condition B59 of the approval for the HumeLink project (SSI-36656827). I also acknowledge your responses to the Department's review comments and requests for additional information.

I note the HumeLink East Yass Accommodation Camp Management Plan:

- addresses the HumeLink East Yass Valley Way accommodation facility, ACMP Stage 3A(ii) of the approved staging of the project;
- has been prepared in consultation with Yass Valley Council and Transport for NSW;
- has been reviewed by Transgrid and no issues have been raised with the Department;
- has been endorsed by the ER, Derek Low (endorsed Rev F, dated 8 August 2025); and
- contains the information required by the conditions of approval, in accordance with the approved staging.

Accordingly, as nominee of the Planning Secretary and in accordance with Condition B59, I approve the HumeLink East Yass Accommodation Camp Management Plan (Rev 01, dated 22 September 2025).

You are reminded that if there are any inconsistencies between the HumeLink East Yass Accommodation Management Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Erin O'Mara, Senior Environmental Advisor, Transmission Post Approval.

Yours sincerely
