Subject: HumeLink – HumeLink West Construction Noise and Vibration Management Plan

Dear Mr Roberts

I refer to the HumeLink West Construction Noise and Vibration Management Plan (Rev 06, dated 3 June 2025) submitted in accordance with Condition B16 of the approval for the HumeLink project (SSI-26656827). I also acknowledge your response to the Department's review comments and request for additional information.

I note the HumeLink West Construction Noise and Vibration Management Plan:

- has been prepared to address Stage 3b Construction Works HumeLink West in accordance with the project's approved staging (PA-5, 22 November 2024);
- includes an out-of-hours works protocol that has been prepared in consultation with Snowy Valleys Council and Wagga Wagga City Council;
- has been reviewed by TransGrid and no issues have been raised with the Department;
- has been endorsed by the ER, Derek Low (revision 05 dated 7 May 2025); and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the HumeLink West Construction Noise and Vibration Management Plan (Rev 06, dated 3 June 2025).

You are reminded that if there are any inconsistencies between the HumeLink West Construction Noise and Vibration Management Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Thomas Minchin, Team Leader Transmission Post Approval.

Yours sincerely
