Subject: HumeLink – HumeLink West Condition B58 Request Interim Worker Accommodation

Dear Mr Roberts

I refer to your letter dated 16 June 2025, requesting the Planning Secretary's agreement under Condition B58 to commence construction of the HumeLink West stage of the HumeLink project (SSI-36656827) prior to the operation of accommodation camps in accordance with the staging set out in Condition B59(e).

I also acknowledge your response to the Department's review comments and note that additional evidence of consultation with Transport for NSW (TfNSW) has been provided, including correspondence dated 8 July 2025 indicating TfNSW has no further comments on the above matter.

I also note:

- Further detail has been provided regarding continued and ongoing consultation with Wagga Wagga City Council and Snowy Valleys Council;
- Transgrid have committed to expediting as far as practicable the construction and operation of the Tarcutta and Green Hills accommodation camps
- The REX facility accommodation is being prioritized for all workers whose work location is assigned to the Wagga Wagga City Council Local Government Area to minimise impacts on local temporary accommodation; and
- The request been reviewed by Transgrid and no issues have been raised with the Department.

Accordingly, as nominee of the Planning Secretary and in accordance with Condition B58 I approve the alternate timeframe for the commencement of operation of the Tarcutta and Green Hills accommodation camps to on or before 31 October 2025.

You are reminded that if there are any inconsistencies between the B58 Interim Worker Accommodation request and the conditions of approval, the conditions prevail.

Please ensure you make the B58 Interim Worker Accommodation request publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Rebecca Eddington on Rebecca.a.eddington@dpie.nsw.gov.au.

Yours sincerely
