Subject: HumeLink - Condition B58 request to not construct and operate AC06 Crookwell Accommodation Camp

Dear Mr Roberts

I refer to your submission dated 30 July 2025, requesting the Planning Secretary's agreement to not construct and operate the AC06 Crookwell Accommodation Camp under Condition B58 of the approval for the HumeLink project (SSI-36656827). I also acknowledge your response to the Department's review comments and request for additional information.

I note the request:

- is to not construct and operate AC06 Crookwell Accommodation Camp, and instead proposes to lodge the workers in commercial accommodation in Goulburn, Crookwell and Taralga;
- details that 168 rooms have been sourced and, if necessary, commits to sourcing additional rooms from existing accommodation providers, or from short stay platforms;
- commits to releasing rooms that are not required, so they are available to the general public;
- was assessed in the HumeLink East Construction Worker Accommodation Consistency Assessment Report (rev 1, July 2025);
- commits to implementing mitigation measures in accordance with the HumeLink East Social Impact Management Plan, which will be updated following this agreement; and
- has been prepared in consultation with Goulburn Mulwaree Council and Upper Lachlan Shire Council.

Accordingly, as nominee of the Planning Secretary and in accordance with Condition B58, I agree to the request to not construct and operate the AC06 Crookwell Accommodation Camp.

However, in accordance with Condition A3(a), you must comply with the following:

- The HumeLink East Social Impact Management Plan must be updated within one (1) month of this letter to address the revised workforce accommodation strategy, with inclusion of the management and mitigation measures committed to in your submission and additional information.

If you wish to discuss the matter further, please contact Amy Porter, Senior Environmental Assessment Officer, Infrastructure Management.

Yours sincerely

A handwritten signature in black ink, appearing to read "Thomas Minchin".
