Subject: Traffic Management Plan (Stage 1) – Waratah Super Battery (SSI-48492458)

Dear Mr Sheed

I refer to the Traffic Management Plan submitted in accordance with Condition B7, Schedule 2 of the approval for the Waratah Super Battery (SSI-48492458).

I note the Traffic Management Plan:

- comprises Stage 1 of the Traffic Management Plan, as per the Planning Secretary's agreement to stage the plan on 1 June 2023
- has been prepared in consultation with Transport for NSW and Central Coast Council; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Traffic Management Plan (rev 4.0, dated 7 June 2023).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Jack Turner on 02 9995 5387.

Yours sincerely
