Dear Mr Standen

Approval of out of hours work application: condition C14(d): Windsor Bridge (SSI 4951)

I refer to your submission dated 7 January 2020 requesting approval to work outside of the approved construction hours, in accordance with condition C14(d) of SSI 4951 project approval. I also acknowledge your response to the Department's review comments and request for additional information.

The Department has reviewed the Out of Hours Work (OOHW) Application No. 31 to enable the switching of traffic onto the new Windsor Bridge. As delegate of the Planning Secretary, I approve the high-risk activities as defined in the approved OOHW Protocol and as detailed in the OOHW application.

Please ensure that you make the OOHW application and this approval publicly available on the project website.

If you have any questions, please contact Lee McCourt at lee.mccourt@planning.nsw.gov.au.

Yours sincerely
