Dear Mr Nash

I refer to the Emu Monitoring Report 2020 which was submitted in accordance with Condition D8 of the approval for the Pacific Highway - Woolgoolga to Ballina – Upgrade Project (SSI-4963).

The Department has carefully reviewed the document and is satisfied that it addresses the requirements of Condition D8.

Accordingly, I acknowledge receipt of the Emu Monitoring Report 2020 in accordance with Condition D8 of the Woolgoolga to Ballina approval.

I note that a recommendation has been made to restore the emu hybrid fence at chainage 51.2900. The Department encourages TfNSW to continue consultation with the landowner to restore this section of fence.
