Subject: Billabong Creek EWR (SSI-50831979) - Approval of Biodiversity Management Plan (C10)

Dear Mr Ball

I refer to the Biodiversity Management Plan (BMP) submitted in accordance with Condition C10 of the approval for the Billabong Creek Environmental Water Regulators approval (SSI - 50831979).

I note the BMP:

- has been prepared in consultation with parties required to be consulted with;
- has been reviewed by proponent and no issues have been raised with the Department;
- has been endorsed by the ER; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Biodiversity Management Plan (rev 05, 04/05/2026).

The Department notes that the Rehabilitation Plan is expected to be finalised in late 2026. Please ensure that the BMP is updated and resubmitted to the Department once the Rehabilitation Plan has been finalised.

You are reminded that if there are any inconsistencies between the BMP and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Sam Kelly on 02 9995 5733.

Yours sincerely

Benjamin Cox  
Principal Planning Officer  
As nominee of the Planning Secretary
