Subject: Port of Newcastle Capital Strategic Dredging: Approval of Staging Report

Dear Ms Wyatt,

I refer to your submission of the Staging Report – Mayfield 4 Berth Expansion dated 28 October 2025 for approval by the Department. I would also like to acknowledge your response to the Department's request for further information.

The Department has carefully reviewed the document and is satisfied it meets with the requirements of Condition B7 of SSI 10_0203.

Accordingly, as nominee of the Planning Secretary, I approve the Staging Report (version 3.1, dated October 28 2025).

You are reminded that if there are any inconsistencies between the approved plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Grant Brown at grant.brown@dpie.nsw.gov.au

Yours sincerely
