Dear Ms Shand,

**NorthConnex (SSI-6136)  
Operational Noise Management Plan – Further Extension (E26)**

I refer to your request (SSI-6136-PA-34) for a further extension of time until Monday 04 July 2022 to submit the Operational Noise Management Plan as required under Condition E26 of SSI 6136.

The Department notes that the reasons for seeking a further extension are due to ongoing extreme wet weather experienced during February to April 2022, availability of noise consultants and the NorthConnex planned maintenance closure.

Accordingly, as nominee of the Planning Secretary and in accordance with Condition A9 of SSI 6136, I agree to the time extension, with the Operational Noise Management Plan now to be submitted by Monday 04 July 2022.

Please ensure to provide updates to the Department on the progress of the proposed work program and append this correspondence to the Operational Noise Management Plan.

If you wish to discuss the matter further, please contact Sidonie Crepeau at [sidonie.crepeau@planning.nsw.gov.au](mailto:sidonie.crepeau@planning.nsw.gov.au).

Yours sincerely
