Subject: M7/M12 Motorway – M7 Widening (SSI-663-Mod-6): C3 Construction Environmental Management Plan Revision 4c

Dear Ms Forrest,

I refer to your submission of the Construction Environmental Management Plan (CEMP) Revision 4c, dated 6 June 2024 submitted to the Department for approval under condition C3 of SSI 663. I also acknowledge your response to the Department's review comments and requests for additional information.

I note the CEMP Revision 4c:

- has been updated to include the Woodstock Avenue Construction Ancillary Facility (CAF) and details the environmental management of impacts related to the CAF's establishment and operation;
- has been reviewed by Transport for NSW and no issues have been raised; and
- has been endorsed by the Environmental Representative (ER).

Accordingly, as nominee of the Planning Secretary, I approve the Construction Environmental Management Plan Revision 4c, dated 6 June 2024. You are reminded that if there are any inconsistencies between the CEMP and the conditions of approval, the conditions prevail. Please ensure you make the CEMP publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Shelley Reed at shelley.reed@dpie.nsw.gov.au.

Yours sincerely

Shelley Reed
