

New M5

Environmental Impact Statement

Properties affected by acquisition

Appendix D

November 2015

D1 Properties affected by acquisition

The project would impact 159 properties during both construction and operation. These properties are categorised as a mix of residential, commercial, industrial or recreational uses.

Of the 159 properties that would be fully or partially acquired, or temporarily occupied for the project:

- Forty one properties are owned by Roads and Maritime Services (Roads and Maritime)
- Nine properties are owned other NSW Government agencies
- Twenty six properties are owned by councils
- Seventy eight properties are privately owned
- Five properties are owned by utility providers.

The complete list of properties acquired for the project is identified in **Table D-1**. Properties impacted by the project are shown on **Figure D-1** to **Figure D-16**.

(a) Lot Ref numbers that have been repeated indicate that a land parcel would be subject to partial temporary occupation and partial permanent acquisition.

(b) Temporary refers to land parcels required for construction of the project and not used for operation of the project.

(c) Permanent refers to land parcels required for operation of the project.
