Subject: Construction Environmental Management Plan, sub-Plans and monitoring programs for the Newcastle Inner City Bypass (Stage 4 Main Works)

Dear Mr Russek

I refer to your recent submission of the Construction Environmental Management Plan for the Newcastle Inner City Bypass (Stage 4 Main Works) and its supporting suite of documents. I also acknowledge your response to the Department's review comments and requests for additional information.

I note these documents:

- have been prepared in accordance with the consultation requirements of Conditions C1 - C8 of the approval, including consultation with: DPE Water, DPI Fisheries, Heritage NSW, Registered Aboriginal Parties, Newcastle City Council and Health Administration Corporation;
- have been reviewed by Transport for NSW and no issues have been raised with the Department;
- have been endorsed by the Environmental Representative and
- contain the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the documents tabulated below under the corresponding condition in the following table:

Document Name	Document Version	Reference Number
Construction Environmental Management Plan	Revision 5	SSI-6888-PA-110
Construction Air Quality Management sub Plan	Revision 5	SSI-6888-PA-91
Construction Flora and Fauna Management sub Plan	Revision 6	SSI-6888-PA-99
Construction Traffic and Transport Management sub-Plan	Revision 7	SSI-6888-PA-105
Construction Aboriginal Cultural Heritage Management sub-Plan	Revision 6	SSI-6888-PA-94
Construction Soil and Water Management sub sub-Plan	Revision 4	SSI-6888-PA-97
Construction Noise and Vibration Management sub-Plan (inclusive of the Noise and Vibration Monitoring Program)	Revision 8	SSI-6888-PA-109
Construction Flood Management sub-Plan	Revision 4	SSI-6888-PA-95

I note that the Surface and Ground Water Quality Construction Monitoring Program (Rev F, June 2022), Air Quality Construction Monitoring Program (Rev G, June 2022) and the Flora and Fauna Construction Monitoring Program (Rev G, June 2022) have previously been approved by the Planning Secretary.

I also note that the following sub-Plans which form part of the Construction Environmental Management Plan have been submitted to the department for information:

Document Name	Document Version	Reference Number
Non-Aboriginal Heritage Management sub-Plan	Revision 2	SSI-6888-PA-101
Waste and Energy Management sub-Plan	Revision 2	SSI-6888-PA-100

Please note that no blasting is authorised as part of these works as no blasting plans have been provided.

You are reminded that if there is any inconsistency between the approved documents and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the documents and this approval letter publicly available on the project website at your earliest convenience.

If you have any questions, please contact Rebecca Eddington, who can be contacted at rebecca.eddington@dpie.nsw.gov.au.

Yours sincerely

Dominic Crinnion
Acting Director
Infrastructure Management

As nominee of the Planning Secretary
