Dear Steve

**Newcastle Inner City Bypass – Rankin Park to Jesmond (SSI-6888)
Community Communication Strategy**

I refer to your submission dated 24 September 2021 of the revised Community Communication Strategy (Strategy), Revision 6, dated 24 September 2021, submitted under Condition B3 of the Project Approval (SSI-6888).

The Department has carefully reviewed the document and is satisfied that the Strategy:

- has been reviewed by Transport for NSW, and no issues have been raised; and
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approved the Community Communication Strategy (Rev. 5, dated 24 September 2021) under condition B3 of SSI 6888.

You are reminded that if there is any inconsistency between the approved strategy and the conditions of approval, then the requirements of the conditions of approval will prevail.

Please ensure that the revised CCS is made publicly available on the project website at the earliest convenience. If you wish to discuss the matter further, please contact Lee McCourt on 8289 6969.

Yours sincerely

Jake Shackleton
Director – Infrastructure Management

As nominee of the Planning Secretary
