Dear Erica

**Newcastle Inner City Bypass – Rankin Park to Jesmond (SSI 6888)
Out of Hours Work Application No. 009 – install new curb on Newcastle Road**

I refer to the subject project approved by the Minister for Planning on 15 February 2019. I also refer to Roads & Maritime's approved Out of Hours Work Protocol (OoHWP).

In accordance with Condition of Approval E31(d), out of hours work that is not low risk requires approval by the Planning Secretary.

Accordingly, please find enclosed Out of Hours Work Application No. 009 for approval by the Planning Secretary. The work described in the application has been assessed as high risk in accordance with section 3 of the OoHWP.

Roads and Maritime requests that approval is provided by **13 April 2020** to complete the process of gaining a Road Occupancy Licence and to adequately plan the work.

Please also find enclosed an updated schedule of other planned out of hours work (low and high risk).
