Attn: Julia Green
Department of Planning

Dear Sir/Madam

Secretary's Environmental Assessment Requirements (SEARs) for the Mount Piper to Wallerawang Transmission Project.

I refer to the notification for input into the SEARs for proposed State Significant Infrastructure (SSI-70279722) under the *Environmental Planning and Assessment Act 1979*.

Council has reviewed the draft SEARs and advise that no additional matters are raised for inclusion in the projects environmental assessment documentation.

If you have any further queries in relation to this matter, please do not hesitate to contact the undersigned Tuesday & Friday in Council's Development Department on (02) 63549984 or via email council@lithgow.nsw.gov.au

Yours sincerely

J K Ramsden
