Dear Mr Cerone,

**Sydney Metro – Chatswood to Sydenham Project (SSI-7400)
Crows Nest ISD – Construction Traffic Management Plan**

I refer to the Crows Nest ISD Construction Traffic Management Plan (CTMP) which was submitted to the Planning Secretary for information in accordance with Condition E82 of SSI-7400.

I note that the Construction Traffic Management Plan:

- has been approved by Transport for NSW; and
- contains the information required by the conditions of approval.

I refer you to the review table that accompanies this letter which outlines the Department's comments and recommended amendments to the CTMP for your consideration. While I acknowledge that the CTMP has been submitted for information, the Department considers that the recommended amendments would improve clarity and readability of the plan.

If you wish to discuss the matter further, please contact either Grant Brown on 02 9274 6469.

Yours sincerely
