Dear Mr Cerone

Sydney Metro City and Southwest (CSSI 7400)
**Martin Place Integrated Station Development Community Communications Strategy: Excavation,
Station Construction and Over Station Development**

I refer to the Sydney Metro Martin Place Integrated Station Development Community Communications Strategy: Excavation, Station Construction and Over Station Development (Revision 6) which was submitted in accordance with Condition B3 of Schedule 2 of the approval for the Sydney Metro City and Southwest project (CSSI 7400).

The Department has carefully reviewed the document and is satisfied that it has been prepared in accordance with the requirements of the conditions of approval. The Department notes that the above-mentioned document has been prepared to also meet the requirements for the preparation and implementation of a Community Communications Strategy under the following consents: SSD 9270 and SSD 9326.

Accordingly, as nominee of the Planning Secretary I approve the Martin Place Integrated Station Development Community Communications Strategy: Excavation, Station Construction and Over Station Development (Revision 6, dated October 2020). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Rebecca Eddington on 8289 6702.

Yours sincerely
