Dear Mr Cerone,

**Sydney Metro City & Southwest (SSI-7400)  
Condition E68: Site Audit Statements**

I refer to the Site Audit Statements for the Waterloo Station, Crows Nest, Marrickville Dive, Chatswood Dive, Victoria Cross North, Blues Point, Marrickville Stabling Yard and Barangaroo Station sites, which were submitted to the Planning Secretary for information in accordance with Condition E68 of SSI-7400.

I note that the Site Audit Statements:

- have been reviewed by Sydney Metro and no issues were raised; and
- have been produced by a Site Auditor accredited by the Environment Protection Authority.

Please ensure that the Site Audit Statements are also submitted to the relevant Councils in accordance with Condition E68.

You are reminded that if there is any inconsistency between the Site Audit Statements and the conditions of approval, then the requirements of the conditions of approval will prevail.

If you wish to discuss the matter further, please contact Scott Cooper at [scott.cooper@planning.nsw.gov.au](mailto:scott.cooper@planning.nsw.gov.au).

Yours sincerely
