Dear Mr Cerone

**Sydney Metro - Chatswood to Sydenham (SSI-7400)
Chatswood Dive Heritage Interpretation Plan**

I refer to the Chatswood Dive Heritage Interpretation Plan (final v.3 dated January 2022) which was submitted to the Planning Secretary for information in accordance with Condition E21 of SSI-7400. I also acknowledge your response to the Department's review comments and requests for additional information.

I note that the Chatswood Dive Heritage Interpretation Plan:

- has been prepared in consultation with the relevant government agency/stakeholders,
- has been reviewed by Sydney Metro and no issues have been raised, and
- contains the information required by the conditions of approval.

I note the discussions with Sydney Metro regarding confirmation of interpretive initiatives to be implemented at the Chatswood Dive site and I understand that the design of the site (including heritage interpretation) is currently under final review by the Design Review Panel. I also note that the final design, including heritage interpretation, will be included in the Station Design and Precinct Plan for the Chatswood Dive site, which will be issued to the Planning Secretary for approval (likely late March 2022) in accordance with Condition E101.

You are reminded that if there is any inconsistency between the Chatswood Dive Heritage Interpretation Plan and the conditions of approval, then the requirements of the conditions of approval will prevail.

Please ensure that you make the Chatswood Dive Heritage Interpretation Plan (final v.3 dated January 2022) publicly available on the project website.

If you wish to discuss the matter further, please contact Rebecca Eddington on (02) 9585 6469.

Yours sincerely
