Dear Mr Cerone

**Sydney Metro - Chatswood to Sydenham (SSI-7400)  
Barangaroo Station Heritage Interpretation Plan**

I refer to the Barangaroo Station Heritage Interpretation Plan (revision P08 dated 20 January 2022) which was submitted to the Planning Secretary for information in accordance with Condition E21 of SSI-7400. I also acknowledge your response to the Department's review comments and requests for additional information.

I note that the Barangaroo Station Heritage Interpretation Plan:

- has been prepared in consultation with the relevant government agency/stakeholders,
- has been reviewed by Sydney Metro and no issues have been raised, and
- contains the information required by the conditions of approval.

I note that, after discussions with Sydney Metro, this Heritage Interpretation Plan is the final document and the information contained remains current.

You are reminded that if there is any inconsistency between the Barangaroo Station Heritage Interpretation Plan and the conditions of approval, then the requirements of the conditions of approval will prevail.

Please ensure that you make the Barangaroo Station Heritage Interpretation Plan (revision P08 dated January 2022) publicly available on the project website.
