

Mr Fil Cerone
Senior Manager Environment
City & Southwest Sydney Metro
680 George Street
SYDNEY NSW 2000

03/07/2020

Dear Mr Cerone

**Sydney Metro: Chatswood to Sydenham (SSI 7400)
Martin Place ISD Environmental, Health and Safety Plan**

I refer to your submission dated 24 March 2020 requesting approval of the Construction Environment Management Plan (CEMP) requirements within the Martin Place ISD Environmental, Health and Safety Plan (EHSP), as defined in Appendix 17, in accordance with condition C7 of SSI 7400. I also acknowledge your response to the Department's review comments and requests for additional information.

I note that the CEMP requirements within the EHSP:

- have been reviewed by Sydney Metro and no issues have been raised
- have been endorsed by the Environmental Representative
- contain the information required by the conditions of approval.

For the purposes of condition C8 of the planning approval for SSI 7400, the following document includes the CEMP required by conditions C1 and C2 to manage environmental matters. As the nominee of the Planning Secretary, I approve the components of the document that constitute the CEMP as defined in Appendix 17.

Document	Revision and date
Environment, Health and Safety Plan	Revision 4.6, 26 June 2020

The health and safety components of this document are not subject to this approval.

This approval is conditional on the Environmental Representative carrying out an audit of the implementation of the CEMP in accordance with Condition A24(g) within three months of the date of this approval, and Sydney Metro forwarding the results of that audit to the Department within six months of the date of this approval. Any findings from the audit must also be incorporated into a revised CEMP within six months of this approval.

You are reminded that if there is any inconsistency between the approved CEMP components and the conditions of approval, then the requirements of the conditions of approval will prevail.

Please ensure that you make the EHSP publicly available on the project website.

If you wish to discuss the matter further, please contact Alice Pryke on 9274 6488 or alice.pryke@planning.nsw.gov.au.

Yours sincerely

A handwritten signature in black ink, appearing to read "Erica van den Honert". The signature is written in a cursive, flowing style with a long horizontal line extending to the right.

Erica van den Honert
Director, Infrastructure Management
