Subject: Barangaroo Station Design and Precinct Plan for Sydney Metro City & Southwest (E101 of SSI-7400)

Dear Mr Cerone

I refer to your submission dated 25 May, requesting approval of the Barangaroo Station Design and Precinct Plan (rev 6, 22 June 2022). I also acknowledge your response to the Department's review comments and requests for additional information.

I note the Barangaroo Station Design and Precinct Plan:

- Has been prepared in consultation with iNSW/BDA, City of Sydney, and the local community;
- Has been reviewed by Sydney Metro and no issues have been raised with the Department;
- Has been endorsed by the Design Review Panel; and
- Contains the information required by the conditions of approval.

I also note that the station service pod design and entry to the Aqualand development are at a preliminary design phase and therefore not part of the scope of the SDPP and are not included in this approval.

As nominee of the Planning Secretary, I approve the Barangaroo Station Design and Precinct Plan (rev 6, 22 June 2022) under Condition E101.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document and this approval letter publicly available on the project website.

If you wish to discuss the matter further, please contact Minna Kilpelainen at minna.kilpelainen@dpie.nsw.gov.au.

Yours sincerely
