Subject: City and Southwest Out of Hours Work Strategy/Protocol Version 5.3

Dear Mr Cerone,

I refer to the Out of Hours Work Strategy/Protocol Version 5.3 for the City and Southwest Project submitted to the Planning Secretary for information.

I note the Out of Hours Work Strategy/Protocol Version 5.3 has been revised to incorporate Mod 9 of the Chatswood to Sydenham Sydney Metro City and Southwest Project, and some minor changes to reporting requirements for emergency works. I also note the AA has approved the minor updates to this document as required under condition A27(g)(iv) of SSI 7400.

You are reminded that if there are any inconsistencies between the Out of Hours Work Strategy/Protocol Version 5.3 and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Ellena Tsanidis at ellena.tsanidis@planning.nsw.gov.au.

Yours sincerely
