Subject: Sydney Metro City & Southwest Project, Crows Nest Integrated Station Development Tree Report

Dear Mr Jones,

I refer to your submission dated 1 November 2022 of the Crows Nest integrated Station Development (ISD) Tree Report (Version 1, 13 October 2022) issued to the Secretary in accordance with CSSI 7400 Condition of Approval E6.

I note the Crows Nest ISD Tree Report:

- has been prepared by an independent and suitably qualified arborist;
- has been reviewed by Sydney Metro and no issues have been raised with the Department; and
- contains the information required by the conditions of approval.

You are reminded that if there are any inconsistencies between the Crows Nest ISD Tree Report and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Ellena Tsanidis on ellena.tsanidis@planning.nsw.gov.au.

Yours sincerely
