Subject: Sydney Metro City and Southwest – Martin Place Station Interchange Access Plan Ver 4.2

Dear Mr Jones

I refer to your submission dated 28 November 2022, requesting approval of the Martin Place Station Interchange Access Plan, Version 4.2, dated 14 February 2023 (the IAP). I also acknowledge your response to the Department's review comments and request for additional information.

I note the IAP:

- has been prepared in consultation with City of Sydney Council, the TTLG and the DRP;
- has been reviewed by Sydney Metro and no issues have been raised with the Department; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the IAP.

You are reminded that if there are any inconsistencies between the IAP and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Grant Rokobauer at grant.rokobauer@dpie.nsw.gov.au.

Yours sincerely
