**Subject: Sydney Metro, SSI – 7400-Linewide – Construction Traffic Management Plans**

Dear Mr Cerone,

I refer to your submission dated 28 November 2022, of the Construction Traffic Management Plans for Blues Point Site Operations – Extended Scope (revision A, 23 May 2022) and the Barangaroo Temporary Laydown Yard (revision 1, dated 9 June 2022) (the CTMPs).

I note the CTMPs:

- have been approved by the Greater Sydney – Customer Journey Planning
- have been reviewed by Sydney Metro and no issues have been raised with the Department; and
- contain the information required by the conditions of approval.

You are reminded that if there are any inconsistencies between the CTMPs and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Ellena Tsanidis at [ellena.tsanidis@planning.nsw.gov.au](mailto:ellena.tsanidis@planning.nsw.gov.au)

Yours sincerely
