Dear Mr Borrelli

**Inland Rail - Narrabri to North Star (SSI-7474)
Construction Environmental Management Plan - Revision 1**

I refer to the updated Construction Environmental Management Plan (CEMP) Revision 1 dated 2 March 2022 which was submitted to the Planning Secretary for approval in accordance with Condition C1 of the approval for the Narrabri to North Star project (SSI-7474).

I note that the CEMP:

- is an updated version of the previously submitted CEMP which was approved by the Planning Secretary on 7 April 2021,
- contains information on the Construction Ancillary Facilities approved in the Site Establishment Management Plan,
- contains an assessment and approval mechanism for Construction and Minor Ancillary Facilities,
- includes other minor updates and additions, and
- has been reviewed and endorsed by the project's Environmental Representatives.

Accordingly, as nominee of the Planning Secretary I approve the updated Construction Environmental Management Plan Revision 1 dated 2 March 2022 in accordance with Condition C1 of SSI-7474. Please ensure that the approved plan is placed on the project website at the earliest convenience.

You are reminded that if there is any inconsistency between the CEMP Revision 1 and the conditions of approval, then the requirements of the conditions will prevail.

If you wish to discuss the matter further, please contact Grant Brown at grant.brown@dpie.nsw.gov.au.

Yours sincerely
